SECTION 2. LONGEVITY PAY

Upon the recommendation of the appropriate department head and approval by the City Manager, a merit longevity pay increase may be granted. In the case of an eligible Department Head the City Manager will recommend and approve. Upon implementation, an employee may receive less than the plan specifies.

The increase is not automatic upon the completion of 5, 10, 15, 20 years of full time service, but is awarded on merit as listed in the table below.

5 years continuous full time service	=	2 ½%	Of "E" Step
10 years continuous full time service	=	5%	Of "E" Step
15 years continuous full time service	=	7 ½%	Of "E" Step
20 years continuous full time service	=	10%	Of "E" Step

If an employee is eligible for longevity increase and due to a promotion is on a step other than E step, the longevity pay shall be calculated on the employee's present salary.

SECTION 3. HEALTH INSURANCE AND OPTIONAL BENEFITS PLAN

Every eligible full-time or regular part time employee who receives City benefits must be covered by a health insurance plan approved by the City. The City will contribute \$100 per month, as of July 1, 1996, per eligible employee for the approved health care plan of the employee's choice. The City shall contribute an additional \$1,260 per month per eligible full-time employee and \$580 per month per eligible regular part time employee, to an Optional Benefit Plan which the employee may receive as cash or may elect to use for medical, dental, vision insurance, or other such benefits as may be approved by the City Manager, as of June 19, 2016. Effective with the pay period that includes July 1, 2017 the City shall increase the additional contribution to \$1,310 per month per eligible full-time and \$605 per month per regular part time employees. Employees who are covered by a health plan not sponsored by the City and who; therefore, do not use the City's \$100 contribution for health care coverage shall have that \$100 added to their Optional Benefits Plan. To qualify to waive medical coverage with the City of San Dimas, the employee must show proof of coverage in a group health plan such as with a spouse's employer. Proof of other group coverage must be submitted each year at open enrollment. This plan is maintained for the exclusive benefit of employees and their dependents and is established with the intention of being maintained for an indefinite period of time.

SECTION 4. LIFE INSURANCE AND LONG-TERM DISABILITY INSURANCE

The City shall provide, at no cost to the employee, term life insurance in the amount of \$25,000 to all full-time employees and eligible regular part-time employees.

Additionally, in lieu of the employees participating in the State Disability Insurance Program, the City shall provide long-term disability insurance for all full-time and eligible regular part-time employees, which benefits are equal to or exceed those provided under State Disability Insurance.

These insurance plans are maintained for the exclusive benefit of full-time and eligible regular part-time employees, and are established with the intention of being maintained for an indefinite period of time. The specific terms and conditions of said insurance plans should be determined and approved by the City Manager.

SECTION 5. DEFERRED COMPENSATION

To encourage employees to participate in the optional deferred compensation program offered by the City, the City shall provide a matching contribution up to a maximum amount. For full time employees the City shall match the employee's contribution on a dollar for dollar basis to a maximum of \$150.00 (one hundred and fifty dollars) per month. For regular part time employees the City shall match the employee's contribution on a dollar for dollar basis to a maximum of \$75.00 (seventy five dollars) per month. The deferred compensation matching program is maintained for the exclusive benefit of full time and regular part time employees and is established with the intention of being maintained for an indefinite period of time. The specific terms and conditions of the program shall be determined and approved by the City Manager.

In August 1999 the City amended the PERS contract to the 2% @ 55 formula with the provision that if the Employer's rate is re-instated at some future time the employees would contribute a portion of their gross salary towards the cost of the enhanced retirement plan. On July 24, 2012, the City Council took action to further increase the employee's contribution over three consecutive years, beginning August 14, 2012. On June 11, 2013 the City Council adopted Resolution No. 2013-38 deferring further increases in employee contributions to June 22, 2014. Therefore, employee contributions rates shall be as follows:

- As of June 22, 2014 employees contribute the full 7% employee portion for PERS contribution.

In September 2012 the Governor signed into law AB340 which among other things created a new PERS pension formula for all new employees hired after January 1, 2013. New employees are enrolled in the 2% at 62 formula. New employees are all responsible for paying 50% of the "normal cost" of the plan as annually calculated by PERS.
